New Business:

Subdivision – Range Resources Meter Pad at L Bros Location on Lynn Portal Road. David Descutner motioned that the subdivision plan be approved contingent upon the gas line easements being shown on the plot, the front setback line be shown, and a 50' right of way be shown on the access road. Larry Chome seconded the motion. Motion passed.

Comments:

The residents of Mt Pleasant Township were in attendance at the meeting to discuss their dislike of the Hickory Beautification Project. They feel that the PennDOT sidewalk requirements are too large and that the parking spots will increase the danger for residents to pull out of their driveways and increase the danger to people driving on the street. They are looking for the proper channels to have the project stopped or revised. They understand that the meeting on the 16th will allow them to discuss the project with the supervisors.

David Descutner moved to adjourn the meeting. Larry Chome seconded the motion. Motion passed. Meeting adjourned at 8:40 PM.

Respectfully submitted,

David A. Descutner
