roads in a community. Tom also stated that he does not believe that the Township has authority to permit golf carts on municipal streets. Tom thought maybe their private walking trails could be revamped to be able to drive golf carts on to get to points that would be road crossings. Mr. Diaz said he had access to an ordinance in Chester County PA that permits golf carts and will obtain a copy and forward to the Township Manager and Solicitor to review. No decision was made.

Adjournment Gary Farner moved to adjourn at 7:25 p.m., second by George Rice, M/C.
